Hi Eugenia,

Yes, NAMLET is still on for 12/14 from 1-4 pm, in Carson City, at the USGS Office on Deer Run Rd.

I will attempt to get out a meeting reminder/update tomorrow, but probably won't get to it until next week.

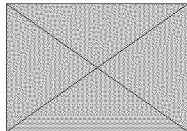

I will have to miss the afternoon Anaconda meeting; Jeff and Greg will participate in that one.

See you soon!

Jeryl

Subject: namlet meeting update?

Hi Jeryl,

I am getting ready to submit my travel request, so I wanted to check in to see if the meeting is still on for 12/14, 1-4pm? I know that there will be Anaconda meetings as well this week, so just wanted to see if anything had changed. also, will the meeting be in reno or carson city?

Thanks,

Eugenia
